Subject: Request for Extension – Digital Literacy Project Submission

Dear Professor,

I hope you are doing well. I am writing to kindly request an extension for the Digital Literacy Project submission deadline.

Due to some unavoidable personal circumstances, I have been unable to complete the project as thoroughly as I would have liked. I want to make sure I submit work that truly reflects my understanding and effort.

I would be really grateful if you could please grant me an extension until **31st March 2026**. I am happy to share any supporting documents if required.

I am sorry for any inconvenience this may cause, and I genuinely appreciate your time and understanding.

Warm regards,

Parth Sarthi Sharma
