To,
The Internship Coordinator
Dassault Aviation

Subject: Application for Summer Internship Opportunity

Dear Sir/Madam,

My name is **Parth Sarthi Sharma**, a B.Tech student in Computer Science & Engineering at **VIT Bhopal University** (Reg. No. 25BE10755). I am writing to express my interest in a **summer internship at Dassault Aviation**.

Dassault Aviation's work in aerospace and defence has always impressed me — the engineering behind every aircraft reflects a level of precision and passion I genuinely look up to. Being part of such a team, even briefly, would be a meaningful experience for me.

Through my academics and projects, I have developed skills in software development, problem-solving, and teamwork. I am a quick learner and someone who takes initiative — I would love the chance to contribute and grow alongside your team.

I would be grateful for the opportunity to discuss this further. I am happy to share my resume or any other details you may need. Thank you for your time and consideration.

Warm regards,

Parth Sarthi Sharma
